Origin
Hackworth was founded in 1991 as a blueprint firm by Charlie and Dorothy Hackworth, and their son Charles. Today, Hackworth provides professional printing services, signage and wide format technology throughout Virginia. As the market leader in the Mid-Atlantic, Hackworth partners with businesses and organizations to maximize their growth and to support their daily operations. We accomplish this through strong vendor and client relationships, a dedicated staff of professionals and a commitment to quality products and services.

Beyond Blueprints
The business world has changed significantly since the early 1990s and so has Hackworth. Traditional printing of construction documents and specifications are just two of many services we now offer. Today, project files are submitted digitally via our website and finished prints are transported directly to the client’s door by our delivery fleet. Scanning and archiving of documents are a daily function. Additionally, we provide small and large format color printing, outdoor signage, graphic design installation and marketing solutions. As construction and many other industries move away from analog printing and toward the digital future, Hackworth has the experience and technology to help your firm navigate the transition.

In addition to being the large format printing experts, we are also the large format equipment experts. We have manufacturer trained technicians and sales representatives that cover the Mid-Atlantic for some of the top brands in the world such as HP, Canon, Xerox, KIP, Océ, Colortrac and Contex. Supplies (paper/toner/ink) and service (warranties/contracts) are available for all the brands we represent.
The Hackworth brand has expanded over the years. In 2012, the Hackworth family purchased a local sign shop and rebranded it The Graphics Shop (TGS). TGS is located in the same Chesapeake facility as Hackworth and offers a wide variety of signage services including screen printing, vehicle wraps, building signage, way-finding and ADA signs. In 2015, Hackworth opened a location on the campus of The College of William & Mary in Williamsburg, VA. Located in the SWEM Library, the William & Mary Print Shop serves the students, faculty and staff of the College, as well as the Peninsula and surrounding community with printing and signage services. In 2019, Hackworth expanded to Suffolk, VA. with the acquisition of Copico. For over 20 years, Copico serviced Suffolk with design, copy, print and sign services. Now with a physical location in Suffolk, Hackworth is able to expand its influence and full range of offerings into Western Tidewater.

Accolades
Hackworth is a SWAM certified small business in the state of Virginia. Locally, Hackworth has been recognized as the 1998 and 2017 Small Business of the Year in Chesapeake, VA. and has been recognized by the Hampton Roads Chamber of Commerce as a Rising 25 company. President Charlie Hackworth was awarded The Bukovsky Award by the IRgA for more than 30 years of excellent service in the reprographic industry. The Hackworth wide format equipment division has received the KIP Star Performance Award on three separate occasions. Hackworth has been listed annually by Wide Format Printing magazine as a Top Shop recipient since 2014. Additionally, The Graphics Shop is MCS certified by 3M for print and installation of 3M wrap products for full warranty protection.
Banners
Whether it’s a vinyl or retractable banner for your business, a step and repeat banner as a backdrop, mesh banners for a jobsite or dozens of over-sized banners for an outdoor festival, Hackworth has a track record of providing the right banner solution to the largest and best known organizations in Hampton Roads. We offer graphic design services on the front end and delivery or installation services when your banners are complete. Offerings include: Scrim Vinyl, Tyvek, Mesh, Custom Printed Wallpaper, Window Graphics, Pop Up Banner Stands and more.

Signs
Hackworth offers many types of signage to meet the needs of businesses and organizations. Our team of professional graphic designers will help you from concept to production. We can design, print, custom cut and install everything from indoor point of sale signs to outdoor signage. Examples include construction site signs, yard signs, parking signs, way-finding or building signage. We can even wrap a wall, sidewalk, door or interior floor with graphics. Signage material offered: Aluminum, MDO, Coroplast, PVC, Acrylic, Gatorboard, Foamcore and more.
Posters
Hackworth prints short and long runs of posters to suit any client’s needs. Small and large format sizes are available up to 60” wide. Paper options include matte, satin or gloss and can be finished with lamination, mounting and framing options. If you need 1,000 of the highest quality, just one that’s budget friendly, or anything in between, Hackworth has you covered with a high quality poster at the right price. We also offer prints on: Canvas, Tyvek, Mesh, Wallpaper, Window Cling and more.

Small Format
Every business uses small format printing and Hackworth provides a superior small format solution for every situation, either in color or black and white. Whether you need 250 business cards, 500 brochures, 1000 envelopes or 10,000 pocket folders, we will provide the quality, design skill and service you need to make your project an overwhelming success. Finishing options include stapling, binding, folding, scoring, covers, punching and lamination. Products include: Business Cards, Rack Cards, Carbon Forms, Flyers, Brochures, Programs, Manuals, Pocket Folders, Mailers and much more.
Vehicle Graphics
Hackworth and The Graphics Shop (TGS) offer dozens of marketing and branding solutions, but none is more effective at maximizing ROI than vehicle wraps and graphics! There is no better opportunity to reach potential customers in your local market than wrapping your company vehicles. A good design will be seen by thousands of people every single day. Whether you want a simple logo or a full vehicle wrap, we have you covered with professional designers and 3M Certified installation. We have even wrapped boats, motorcycles and airplanes! Also available: Vinyl Lettering, Vehicle Magnets, Window Perf.

Cling & Decals
Hackworth offers multiple adhesive products to promote your business such as bumper stickers, decals, labels and window clings. Additionally, we offer wall wraps, custom wallpaper, floor graphics and repositionable materials. We’ve got what you need!
Event Displays
Hackworth provides trade show graphics and event signage products to help effectively tell your story to potential clients. Whether you need a retractable banner stand, a complete trade show booth, or a custom solution, Hackworth will make you look good and stay on budget. Trust our staff of professional graphic designers to take your concept and create a display that markets your brand. Products include: Banner Stands, Trade Show Booths, Table Throws, Exterior Flags, A-Frames,

Document Management
Hackworth offers scanning and archiving solutions for every situation. Fire, floods, human error -- with today's technology it makes no sense to allow your important documents to fall victim to any of these. Small or large format, color or black and white images, the professionals at Hackworth can handle your data. Whether you want a backup on digital media, or a fully functional online archive that can be accessed anytime from virtually anywhere in the world, we have the answer.
What Our Customers Are Saying ...

“I wanted to thank you for doing an excellent and timely job with the Basketball Slam programs. I also appreciate the financial assistance and hope to be able to work with you in the future.”
- Norfolk State University

“I have no idea how often you hear this, but your installers are top notch. I love working with David; he gets what I’m trying to do right away. Your whole team’s been awesome to work with. Who knows if they’d say the same of us. Thanks again!”
- Liberty Baptist Church

“I just wanted to say thank you again for taking care of all of the signs for the football golf tournament. Everyone commented on how good they looked!”
- Old Dominion University

“It has to be said that you have an awesome team. I vetted several companies during this process and Steve & Corey have answered every question and met every request promptly and honestly. It has been a pleasure to work with them during this (rather long) process and I appreciate their patience with us.”
- Clark Nexsen

“Thank you so much for getting us those plans last minute! Y’all are the best and we recommend you anytime we can!”
- Ryan Homes

“Good morning! Just wanted to say thanks for yesterday. I know it was a hassle and I appreciate the effort you two put forth to get those reports out for me last night!! I got it to FedEx on time and it is on its way.”
- Burns & McDonnell

“I appreciated the service your company has provided to our NASA-LaRC engineering department this year. We are specifically, appreciative of the customer service provided by your technician. I am sure you would agree that he is valuable staff member of your company. However, I would like to add that he has been valuable to us as well.”
- NASA
